

Electric Ease – User Guide

Job Master:

- Client User has rights to Create Job Details for the company using the **Add Job Details** in Job Master,
- Job Master has 5 Component,
 1. Add Job Details
 2. Job Listing
 3. Job Calendar
 4. Job Description Report
 5. Client Estimation Report

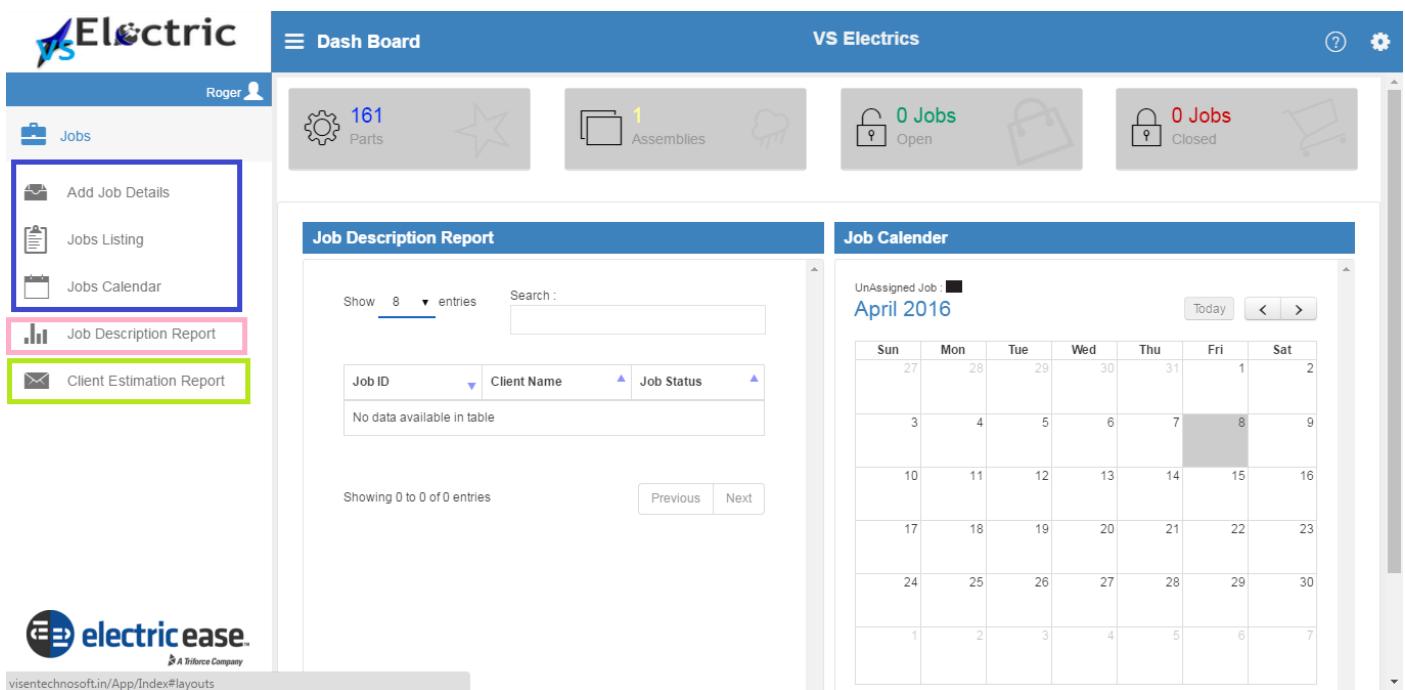

Here without Job Master Rights we cannot to do **Add/Update** and view **Job Listing , Job Calender ,**

The screenshot shows the Electric Ease dashboard with the following details:

- Dashboard Header:** VS Electric, Roger [User Icon], Dash Board, VS Electrics, Help, Settings.
- Left Sidebar:** Management (Jobs is selected), Parts Master, Labor Master, Legal Master, Assemblies Master, User Master; Resources (Reports).
- Top Dashboard Metrics:**
 - 161 Parts
 - 1 Assemblies
 - 0 Jobs Open
 - 0 Jobs Closed
- Job Description Report:** Shows a table with columns: Job ID, Client Name, Job Status. A message says "No data available in table".
- Job Calendar:** Displays a calendar for April 2016. It shows days from Sunday to Saturday. Specific dates like April 8th and 9th are highlighted in grey.

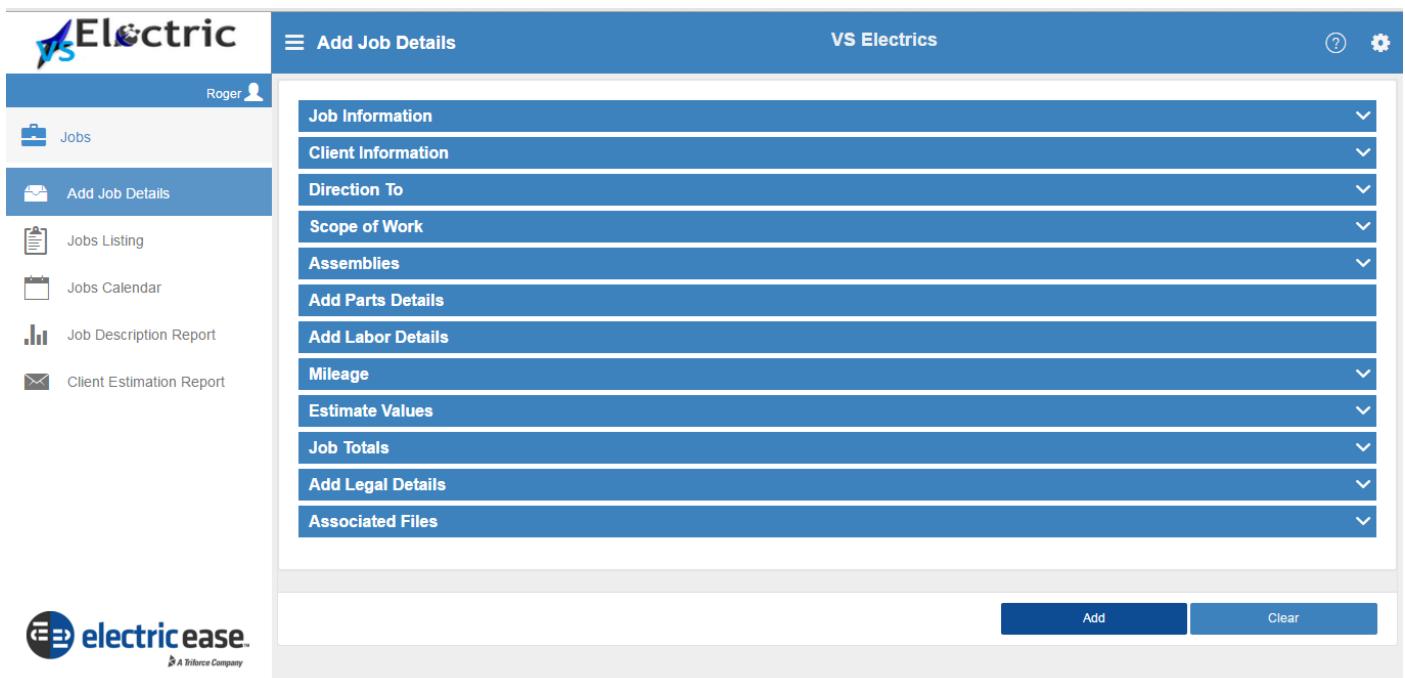

And then without **Job Description Report** and **Client Estimation Rights** ,we cannot view the Reports in the Job Master

The screenshot shows the Electric Ease dashboard with a sidebar on the left containing links for Jobs, Add Job Details, Jobs Listing, Jobs Calendar, Job Description Report (highlighted in pink), and Client Estimation Report (highlighted in green). The main area has two sections: 'Job Description Report' and 'Job Calendar'. The Job Description Report shows a table with columns for Job ID, Client Name, and Job Status, indicating 'No data available in table'. The Job Calendar shows the month of April 2016 with days from 27 to 30, and the 8th is highlighted in grey.

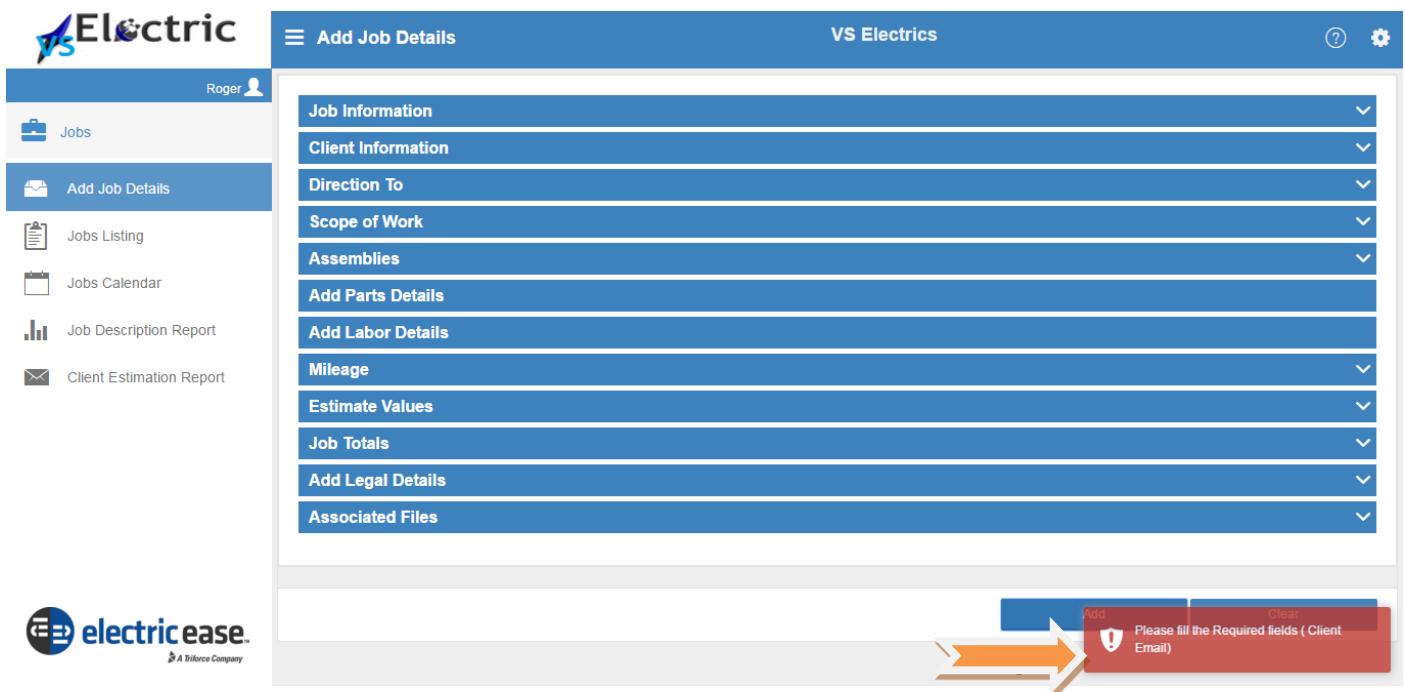

Add Job Details

- In Add Job Details we can **Job Information, Client Information, Direction To, Scope of Work, Assembly Details, Parts, Labor, Mileage and its Estimated values, Job Totals, Legal Details, Associated Files**

The screenshot shows the 'Add Job Details' page with a sidebar on the left containing links for Jobs, Add Job Details (highlighted in blue), Jobs Listing, Jobs Calendar, Job Description Report, and Client Estimation Report. The main area lists various job details sections with dropdown arrows on the right: Job Information, Client Information, Direction To, Scope of Work, Assemblies, Add Parts Details, Add Labor Details, Mileage, Estimate Values, Job Totals, Add Legal Details, and Associated Files. At the bottom are 'Add' and 'Clear' buttons.

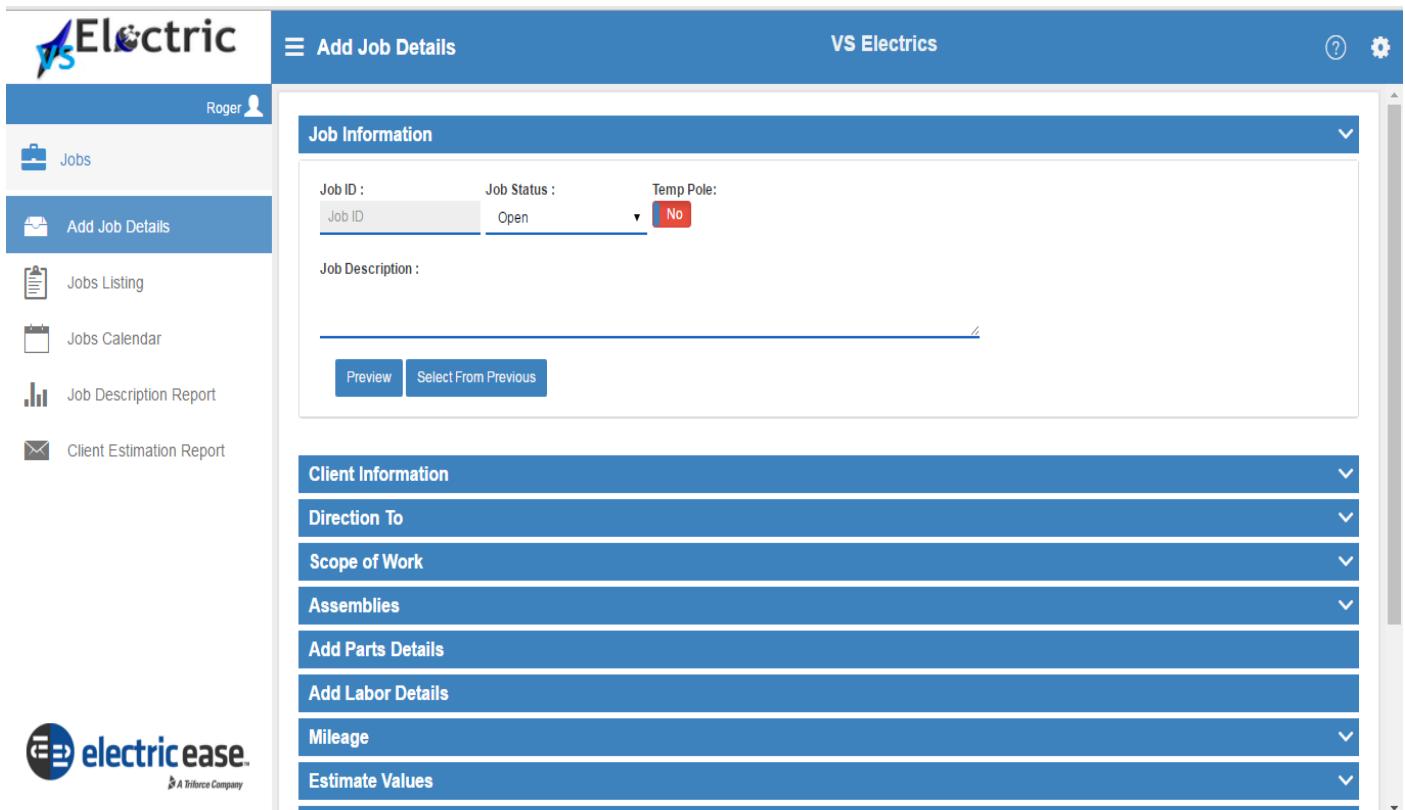

- Required fields can be identify by the *** symbol**, if Required fields is empty, alert will be display when click on the **Add** button

The screenshot shows the 'Add Job Details' page. The left sidebar has a user profile 'Roger' and links for 'Jobs', 'Add Job Details', 'Jobs Listing', 'Jobs Calendar', 'Job Description Report', and 'Client Estimation Report'. The main area has a header 'VS Electrics' and a navigation menu with sections like 'Job Information', 'Client Information', 'Direction To', 'Scope of Work', 'Assemblies', 'Add Parts Details', 'Add Labor Details', 'Mileage', 'Estimate Values', 'Job Totals', 'Add Legal Details', and 'Associated Files'. A red error message at the bottom right says 'Please fill the Required fields (Client Email)'.

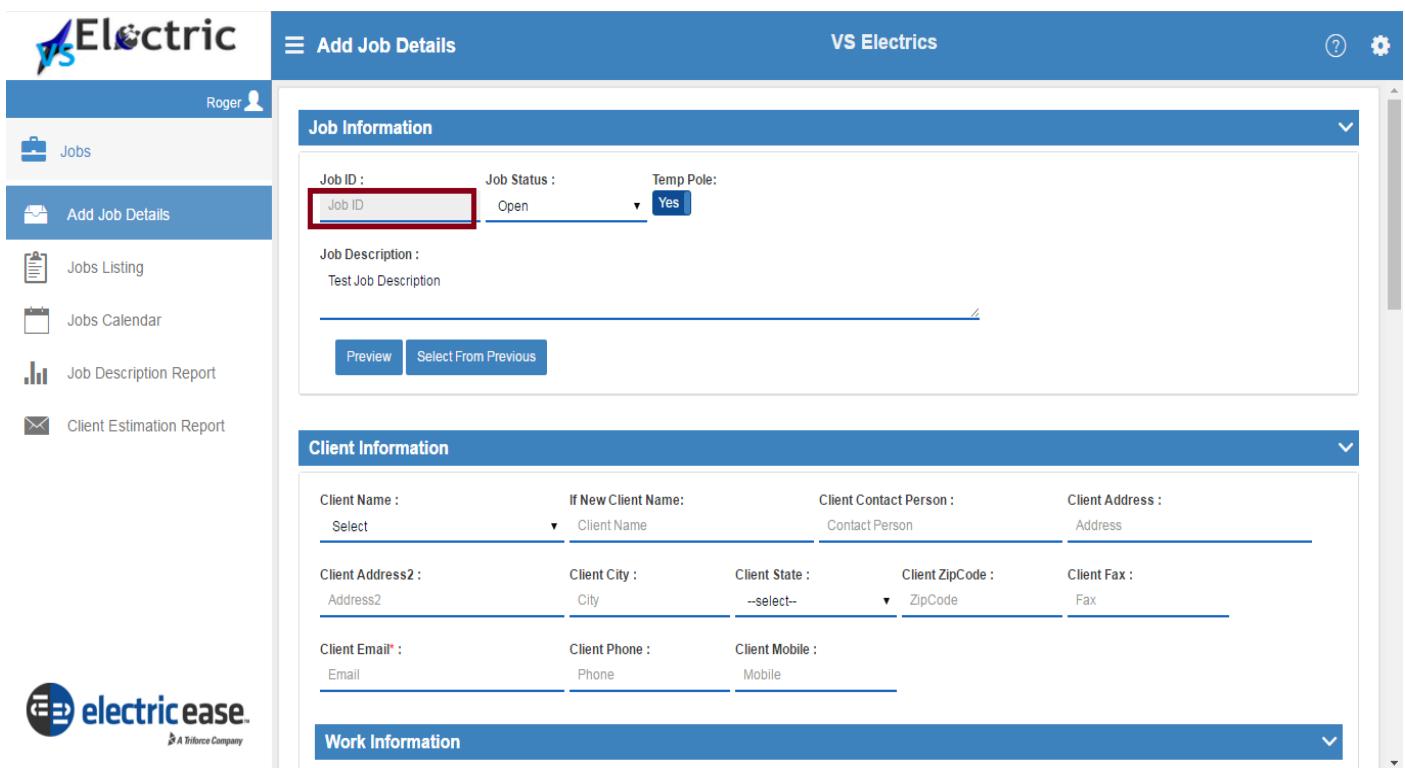

Job Information:

- In the Job Information, we can add Job Status,Temp Pole and Job Description

The screenshot shows the 'Add Job Details' page with a focus on the 'Job Information' section. It includes fields for 'Job ID' (Job ID), 'Job Status' (Open), 'Temp Pole' (No), and 'Job Description'. Below this is a 'Client Information' section with dropdown menus for 'Direction To', 'Scope of Work', 'Assemblies', 'Add Parts Details', 'Add Labor Details', 'Mileage', and 'Estimate Values'.

- Here ,We Cannot Add and Update **Job ID** but we can view the **Job ID** when we updating Job Details

Work Information

Temp Pole

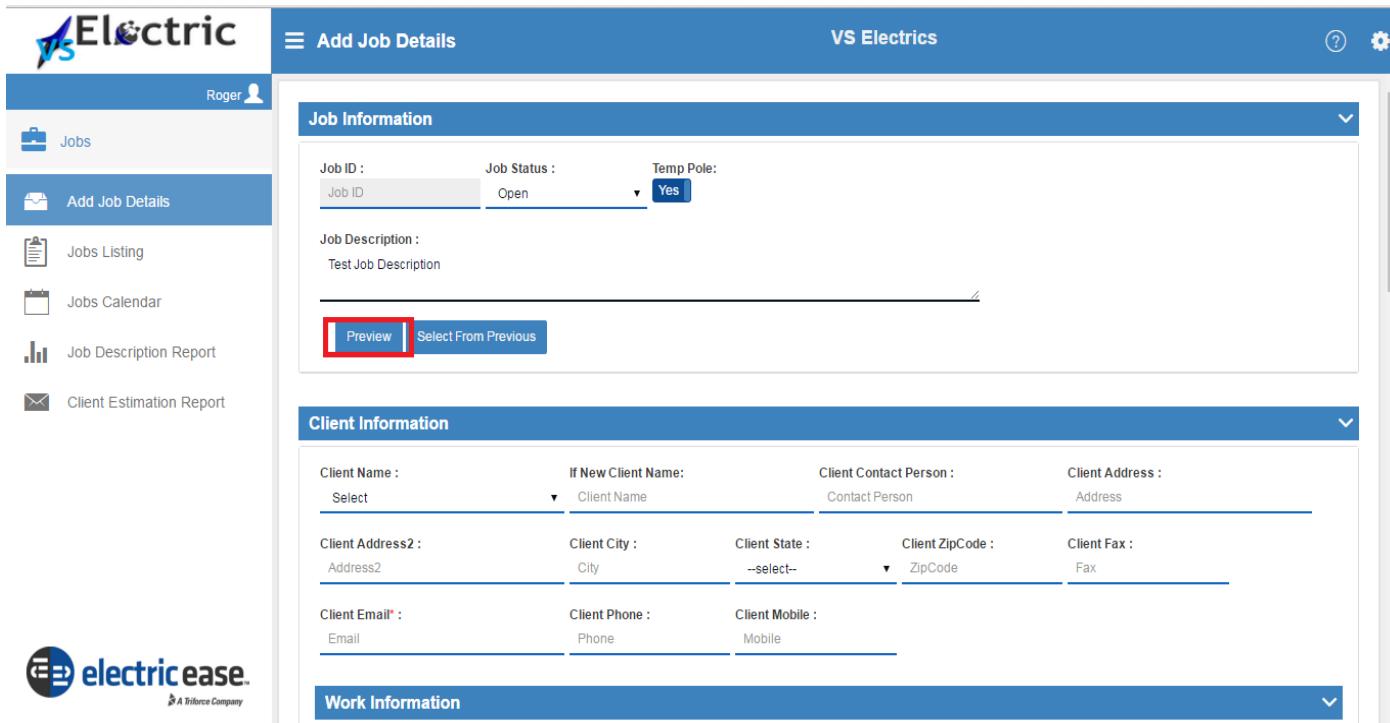

- Here we can Temp Information, we can give **Yes** if we want Temp Pole Selection otherwise **No**

The screenshot shows the 'Add Job Details' interface for 'VS Electrics'. On the left, a sidebar menu includes 'Jobs', 'Add Job Details' (selected), 'Jobs Listing', 'Jobs Calendar', 'Job Description Report', and 'Client Estimation Report'. The main area has tabs for 'Job Information', 'Client Information', and 'Work Information'. In the 'Job Information' tab, fields for 'Job ID' (Job ID), 'Job Status' (Open), and 'Temp Pole' (set to 'No') are visible. Below these are sections for 'Job Description' (with a long text input) and 'Preview' and 'Select From Previous' buttons.

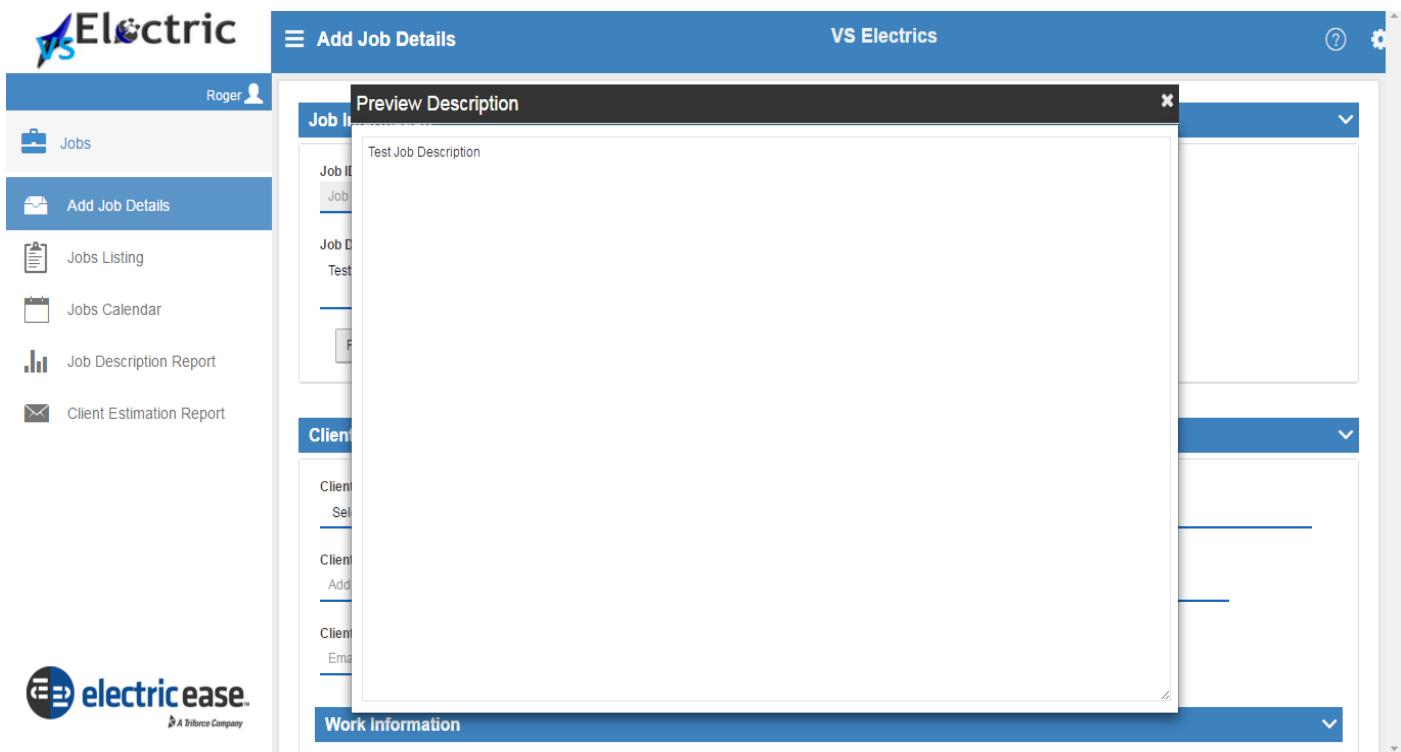

Job Description:

- We have two essential feature for giving data in the **Job Description** field, one is **preview** button which used to preview the data in that field and also add a data in the preview page when after enter a data in the preview page by

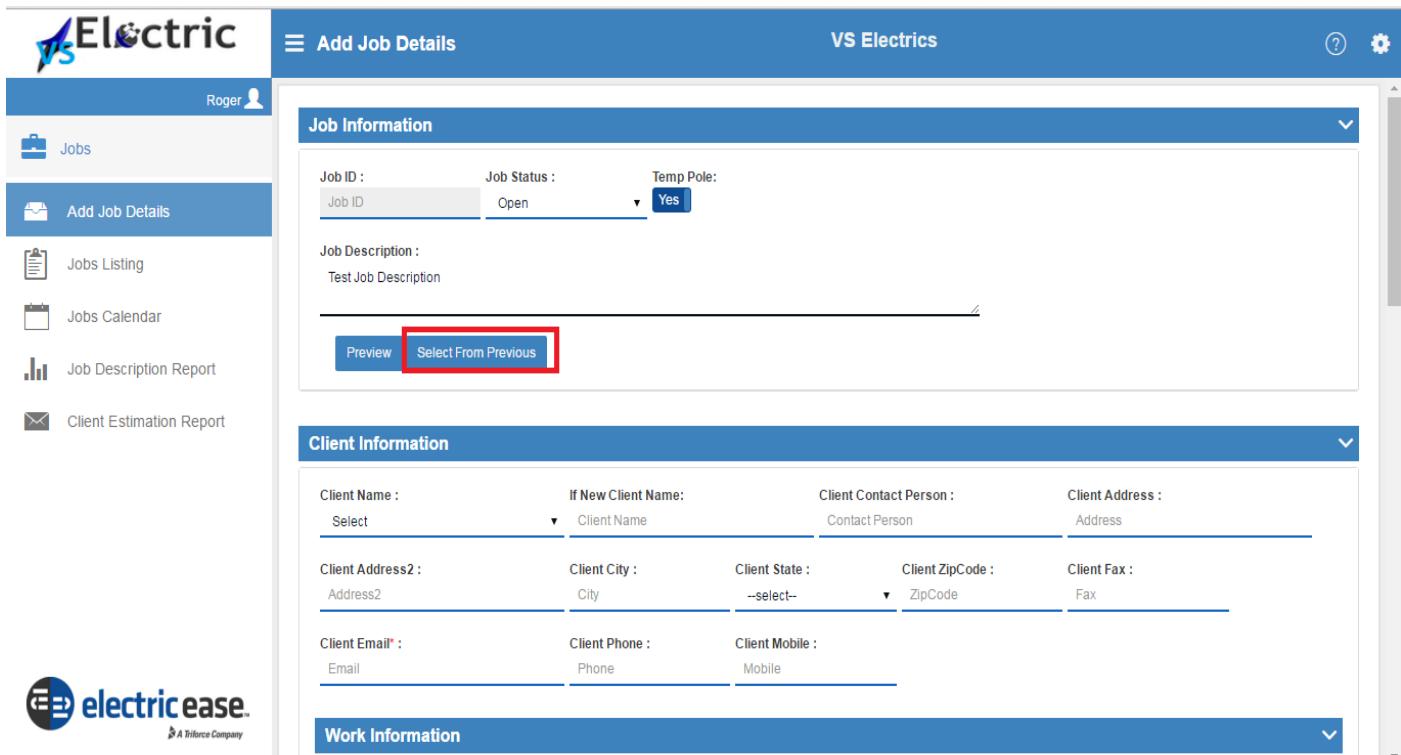

This screenshot shows the same 'Add Job Details' interface as above, but with the 'Temp Pole' field set to 'Yes'. The 'Preview' button in the 'Job Information' section is highlighted with a red box. The rest of the interface, including the sidebar and other tabs, remains consistent with the first screenshot.

- Here We can see the Preview Description

The screenshot shows the 'Add Job Details' screen for 'VS Electrics'. A modal window titled 'Preview Description' is open, displaying the text 'Test Job Description'. The main form shows 'Job ID: Job ID' (dropdown), 'Job Status: Open', 'Temp Pole: Yes', and 'Job Description: Test Job Description'. Below these are sections for Client Information and Work Information.

- And another one is we can select data from the Previous Description by click on the **Select From Previous** Button,

The screenshot shows the 'Add Job Details' screen for 'VS Electrics'. A red box highlights the 'Select From Previous' button in the 'Job Information' section. The 'Job Information' section includes fields for Job ID, Job Status, Temp Pole, and Job Description. The 'Client Information' section follows.

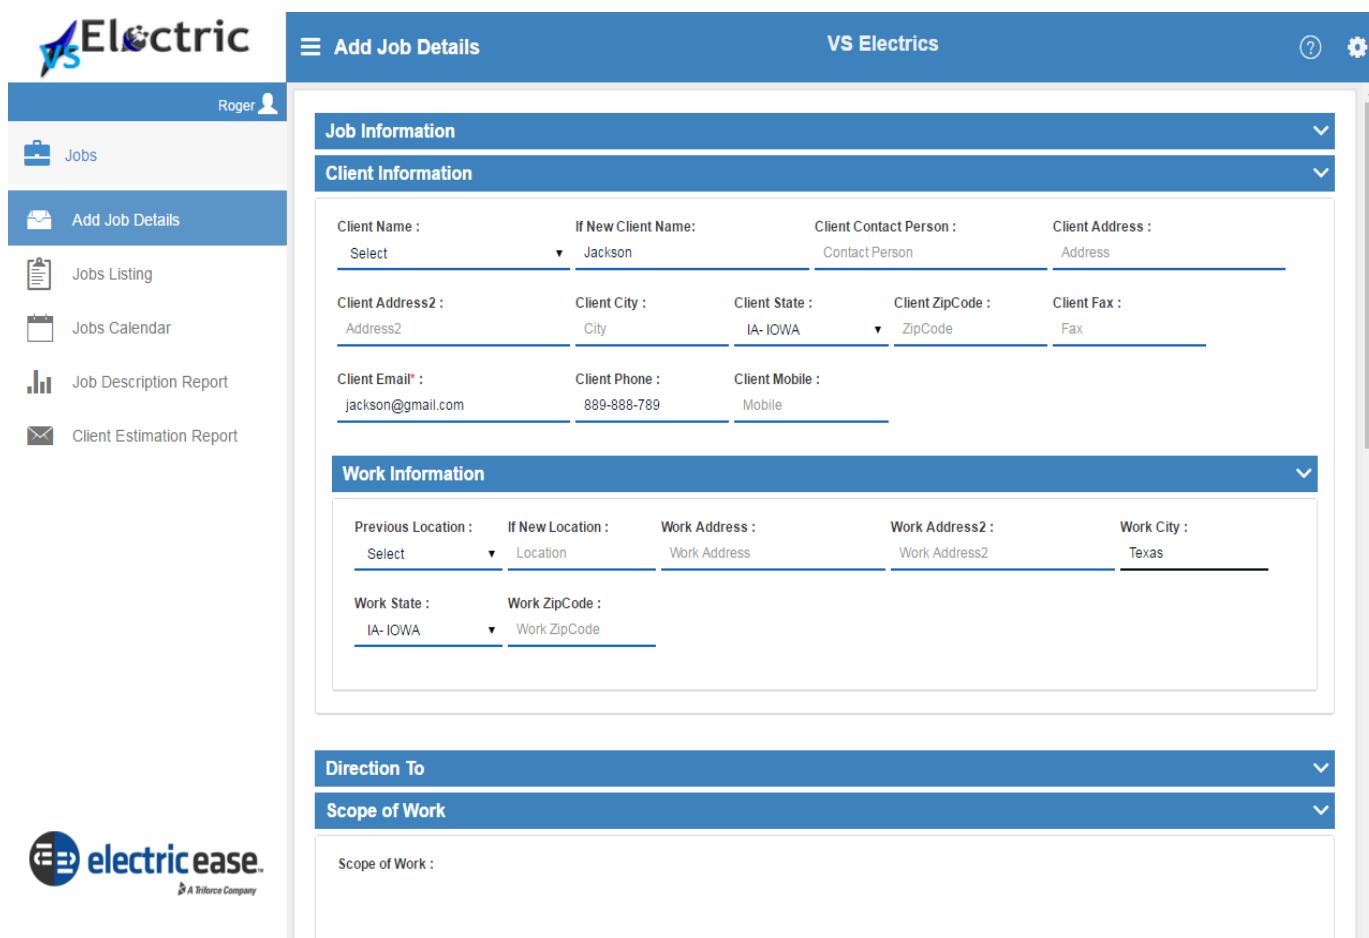

- In the previous Job Description,
- We can select previous description from description list by click on the description and then after selected a Description we can get that selected description by click on the **Add** button.

Client Information:

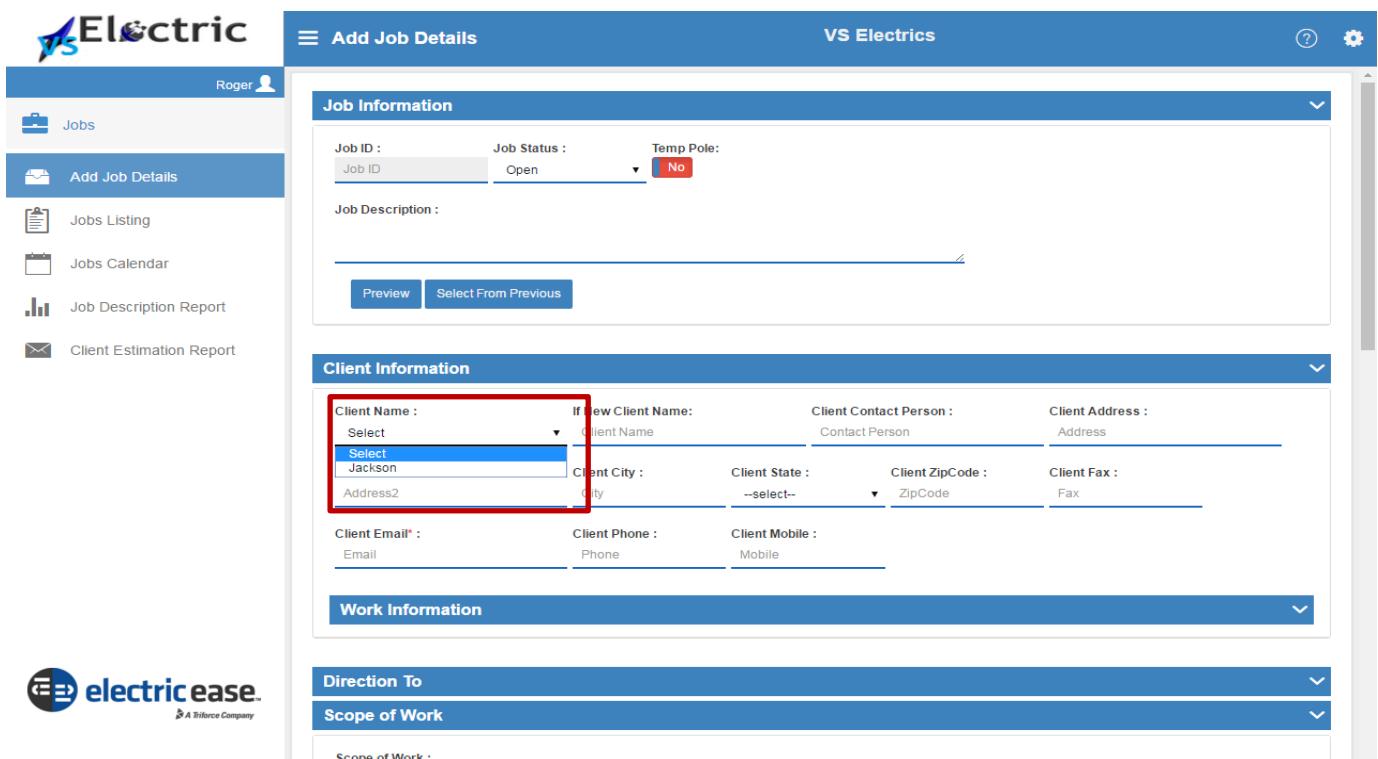

- New User should create new client name in the “**if new Client Name**” field for first time. From next time onwards you can use the Client listed in drop down or add new Client Name to the “**if new Client Name**” field.
- Required fields can be identify by the ***** symbol, if Required fields is empty, alert will be display when click on the **Add** button

Work Information:

- Work information is the used to update the client previous or current work location.

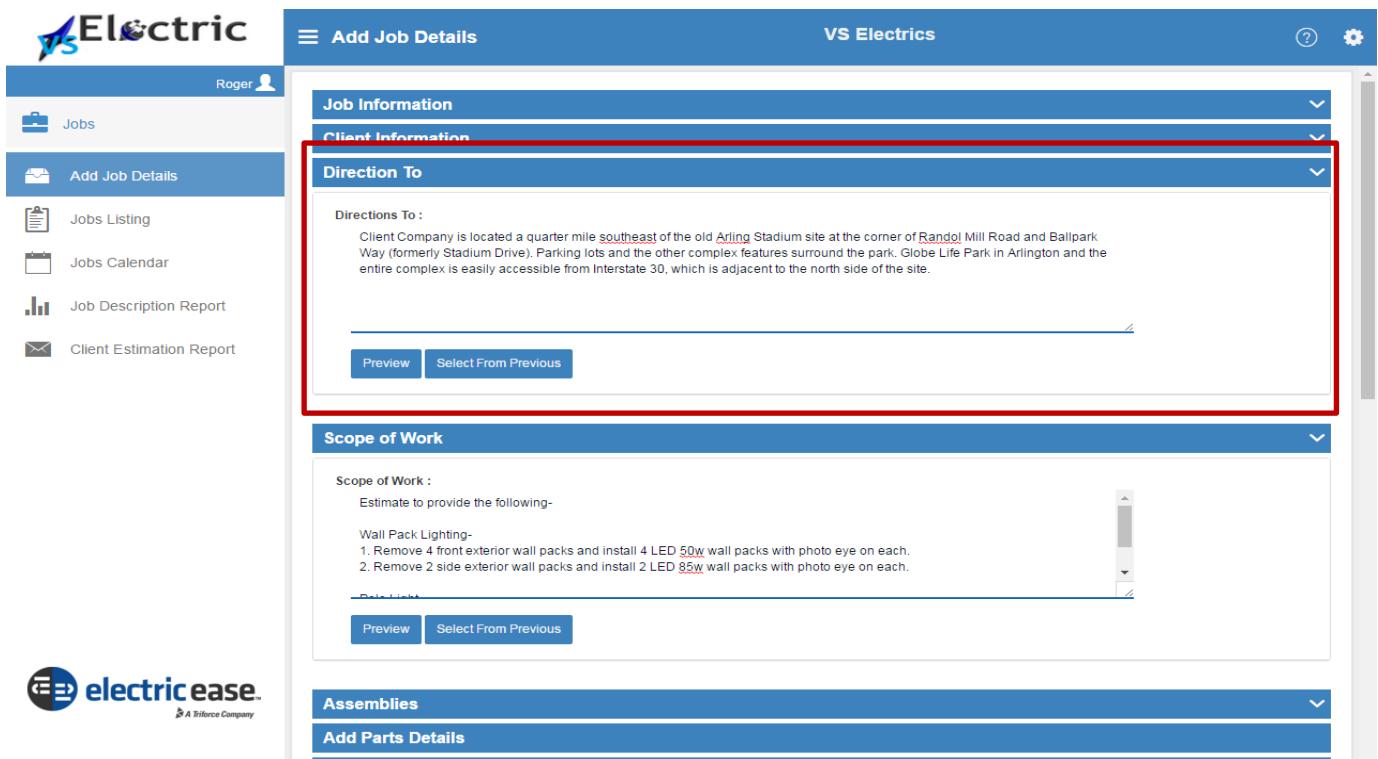

The screenshot displays the 'Add Job Details' interface. On the left, a sidebar menu includes 'Roger' (profile), 'Jobs', 'Add Job Details' (selected), 'Jobs Listing', 'Jobs Calendar', 'Job Description Report', and 'Client Estimation Report'. The main content area has tabs for 'Job Information', 'Client Information', 'Work Information', 'Direction To', and 'Scope of Work'. The 'Client Information' tab is active, showing fields for Client Name (Select dropdown, currently 'Jackson'), If New Client Name (dropdown, currently 'Contact Person'), Client Address (Address: 'Address'), Client Address2 (Address2: 'City'), Client City (City: 'IA- IOWA'), Client State (IA- IOWA), Client ZipCode (ZipCode: 'ZipCode'), Client Fax (Fax: 'Fax'), Client Email (jackson@gmail.com), Client Phone (889-888-789), Client Mobile (Mobile: 'Mobile'), Previous Location (Select dropdown, currently 'Location'), If New Location (Location: 'Work Address'), Work Address (Work Address: 'Work Address2'), Work Address2 (Work Address2: 'Work City'), Work City (Texas), Work State (IA- IOWA), and Work ZipCode (Work ZipCode: 'Work ZipCode'). The 'Work Information' tab is also visible below.

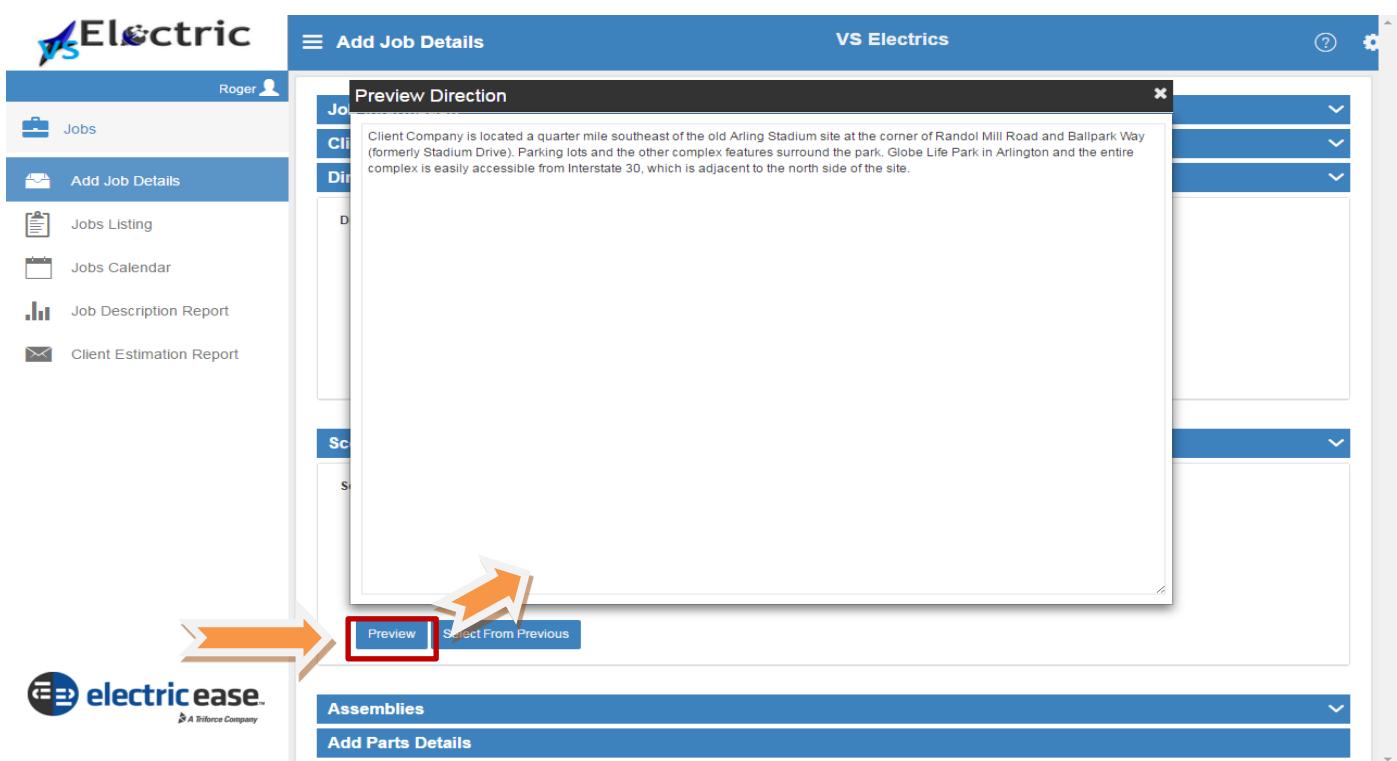

The screenshot shows the 'Add Job Details' screen for 'VS Electrics'. The left sidebar includes links for Jobs, Add Job Details, Jobs Listing, Jobs Calendar, Job Description Report, and Client Estimation Report. The main area has tabs for Job Information, Client Information, Work Information, Direction To, and Scope of Work. The 'Client Information' tab is active, showing fields for Client Name (dropdown with 'Select' and 'Jackson'), Client Contact Person, Client Address, Client Email, Client Phone, Client Mobile, Client State (dropdown with '--select--'), Client ZipCode, Client Fax, Client City (dropdown with 'City'), and Client ZipCode (dropdown with 'ZipCode'). A red box highlights the 'Client Name' dropdown.

Direction To:

- Directing/navigate the Client to the Client Company location
- “Preview” button shows the preview direction
- “Select from Preview” button show the previously saved Client Company direction

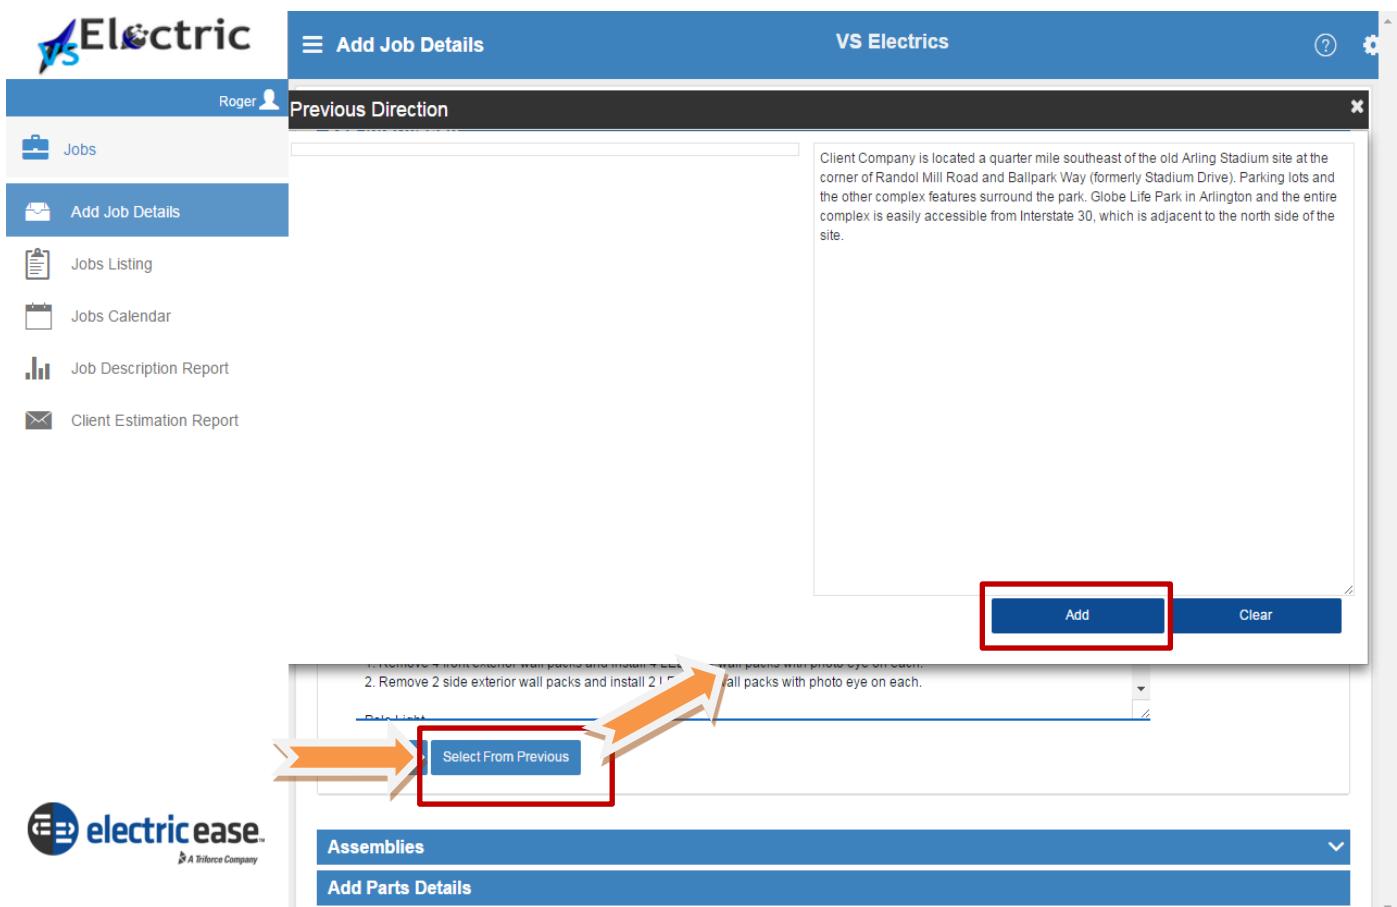

The screenshot shows the 'Add Job Details' screen for 'VS Electrics'. The left sidebar includes links for Jobs, Add Job Details, Jobs Listing, Jobs Calendar, Job Description Report, and Client Estimation Report. The main area has tabs for Job Information, Client Information, Direction To, and Scope of Work. The 'Direction To' tab is active, showing 'Directions To:' and a detailed description of the client company's location. Below it are 'Preview' and 'Select From Previous' buttons. The 'Scope of Work' tab is also visible.

The screenshot shows the 'Add Job Details' screen for a project named 'VS Electrics'. A modal window titled 'Preview Direction' is displayed, containing a detailed description of the job site. At the bottom of this modal, there are two buttons: 'Preview' (highlighted with a red box and an orange arrow) and 'Select From Previous'. The main interface includes a sidebar with various reporting options like 'Jobs Listing', 'Jobs Calendar', and 'Job Description Report'.

- “Add” button used to add any saved direction from the “Previous Direction” window to “Direction to” field

The screenshot shows the 'Add Job Details' screen for a project named 'VS Electrics'. A modal window titled 'Previous Direction' is displayed, containing a detailed description of a job site. At the bottom of this modal, the 'Add' button is highlighted with a red box and an orange arrow. The main interface includes a sidebar with various reporting options like 'Jobs Listing', 'Jobs Calendar', and 'Job Description Report'.

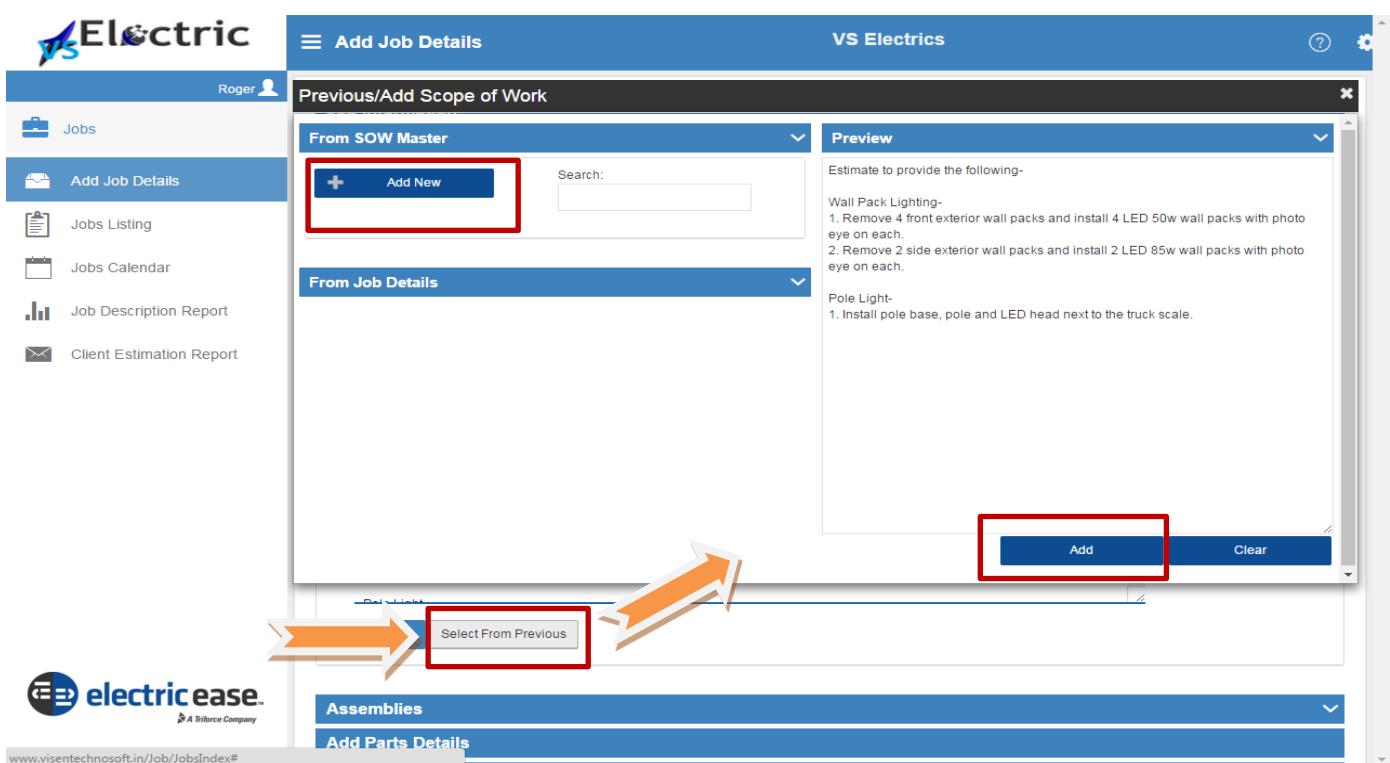

Scope of Work:

- Rough estimation of the work to be done
- “**Preview**” button shows the preview the estimation
- “**Select from Preview**” button show the previously saved Scope of Work

The screenshot shows the 'Add Job Details' screen for 'VS Electrics'. On the left, there's a sidebar with options like 'Jobs', 'Add Job Details', 'Jobs Listing', 'Jobs Calendar', 'Job Description Report', and 'Client Estimation Report'. The main area has tabs for 'Job Information', 'Client Information', 'Direction To', and 'Scope of Work'. The 'Scope of Work' tab is currently active, showing a section titled 'Scope of Work' with instructions to estimate work for wall pack lighting. It lists two tasks: removing 4 front exterior wall packs and installing 4 LED 50w wall packs with photo eye on each, and removing 2 side exterior wall packs and installing 2 LED 85w wall packs with photo eye on each. Below this is a 'Pole Light' section with one task: installing a pole base, pole, and LED head next to the truck scale. At the bottom of the 'Scope of Work' section are 'Preview' and 'Select From Previous' buttons. A large orange arrow points to the 'Preview' button in the 'Scope of Work' section.

- “**Add**” button used to add any saved direction from the “Previous Direction” window to “Direction to” field

Profit/Loss		

Job Totals:

- Provides the job's Expense total and Estimated total with the profit or loss in the Job.

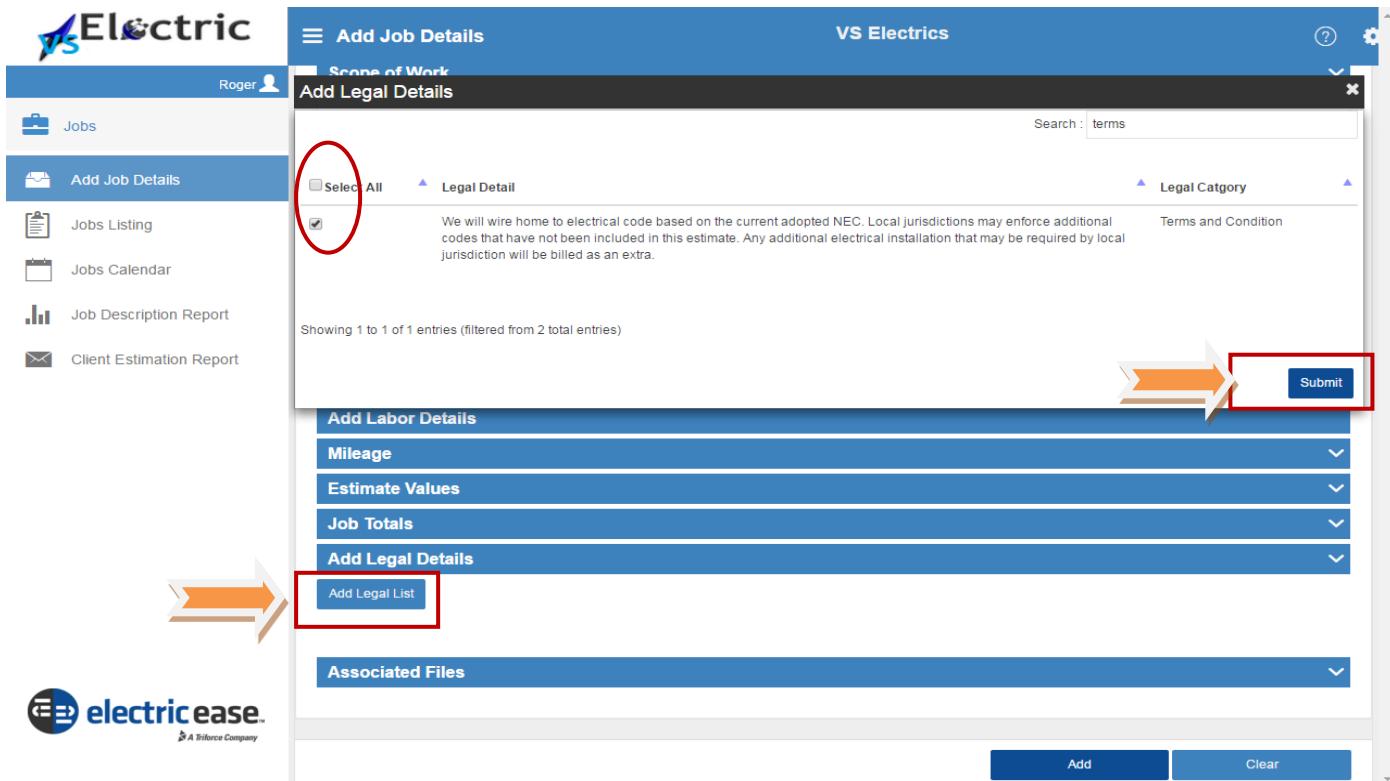

The screenshot shows the Electric Ease software interface. On the left is a sidebar with a user profile for 'Roger' and links to 'Jobs', 'Add Job Details', 'Jobs Listing', 'Jobs Calendar', 'Job Description Report', and 'Client Estimation Report'. The main area is titled 'Add Job Details' under 'VS Electrics'. It contains three sections: 'Mileage', 'Estimate Values', and 'Job Totals'. The 'Job Totals' section is highlighted with a red border and contains the following data:

	Expense Total	Estimated Total
Totals	5651.37	-5651.37
Profit/Loss		

Add Legal Details:

- Click “Add Legal List” button, pop up window opens select the legal details from the list and Click “Submit”.

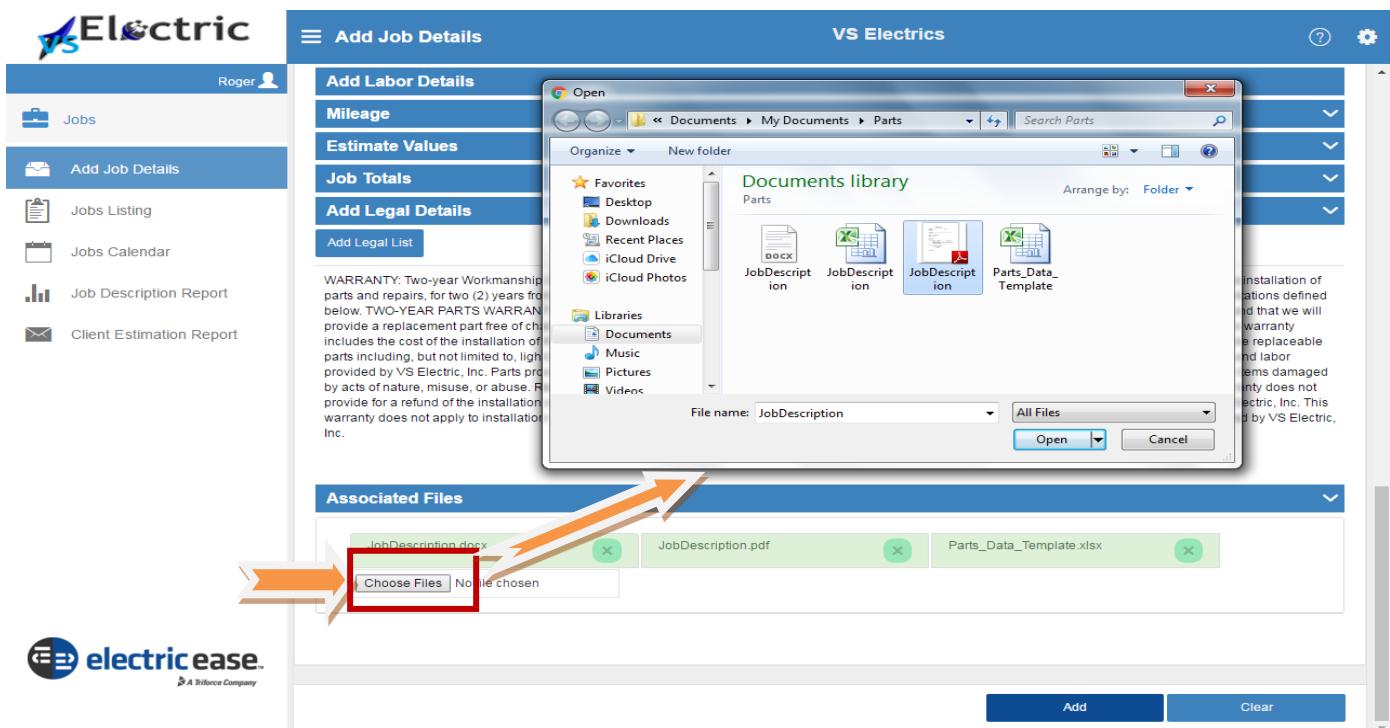

The screenshot shows the 'Add Job Details' screen for 'VS Electrics'. On the left, there's a sidebar with options like 'Jobs', 'Add Job Details', 'Jobs Listing', 'Jobs Calendar', 'Job Description Report', and 'Client Estimation Report'. The 'Add Job Details' option is highlighted with a blue bar. In the center, there's a 'Scope of Work' section and a 'Add Legal Details' section. The 'Add Legal Details' section contains a table with one row. The first column has a 'Select All' checkbox (which is checked and circled in red) and a 'Legal Detail' column with the text: 'We will wire home to electrical code based on the current adopted NEC. Local jurisdictions may enforce additional codes that have not been included in this estimate. Any additional electrical installation that may be required by local jurisdiction will be billed as an extra.' The last column is 'Legal Category' with the value 'Terms and Condition'. Below this table, it says 'Showing 1 to 1 of 1 entries (filtered from 2 total entries)'. At the bottom right of the 'Add Legal Details' section is a 'Submit' button with a red border. To the left of the 'Add Legal Details' section, there's a vertical list of sections: 'Add Labor Details', 'Mileage', 'Estimate Values', 'Job Totals', and 'Add Legal Details'. The 'Add Legal Details' section is expanded, and its 'Add Legal List' button is also highlighted with a red box. At the bottom right of the main screen are 'Add' and 'Clear' buttons.

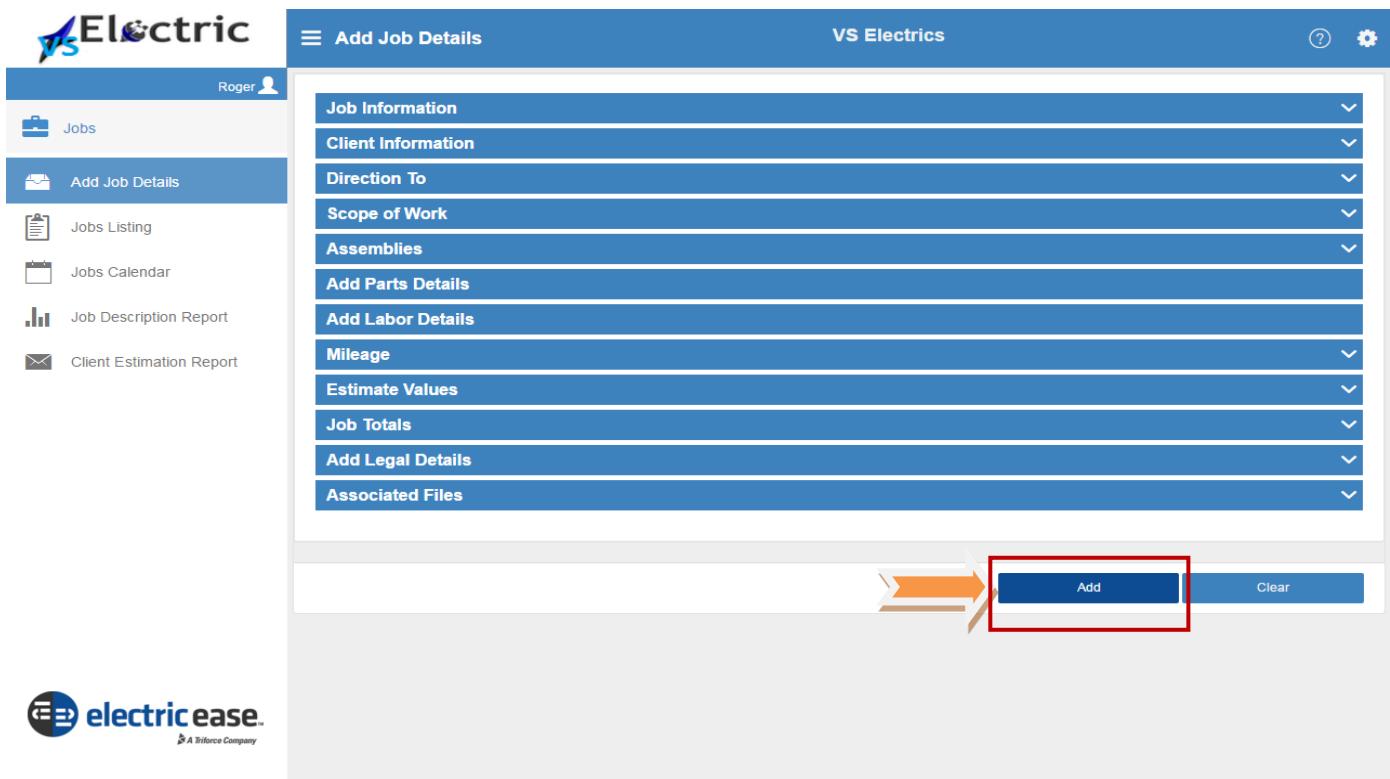

This screenshot shows the same 'Add Job Details' screen as the previous one, but the 'Add Legal Details' section is now expanded. The 'Add Legal List' button is highlighted with a red box. The rest of the interface is identical to the first screenshot, including the sidebar, the 'Add Legal Details' section with its table and 'Submit' button, and the vertical list of sections on the left.

Associated Files:

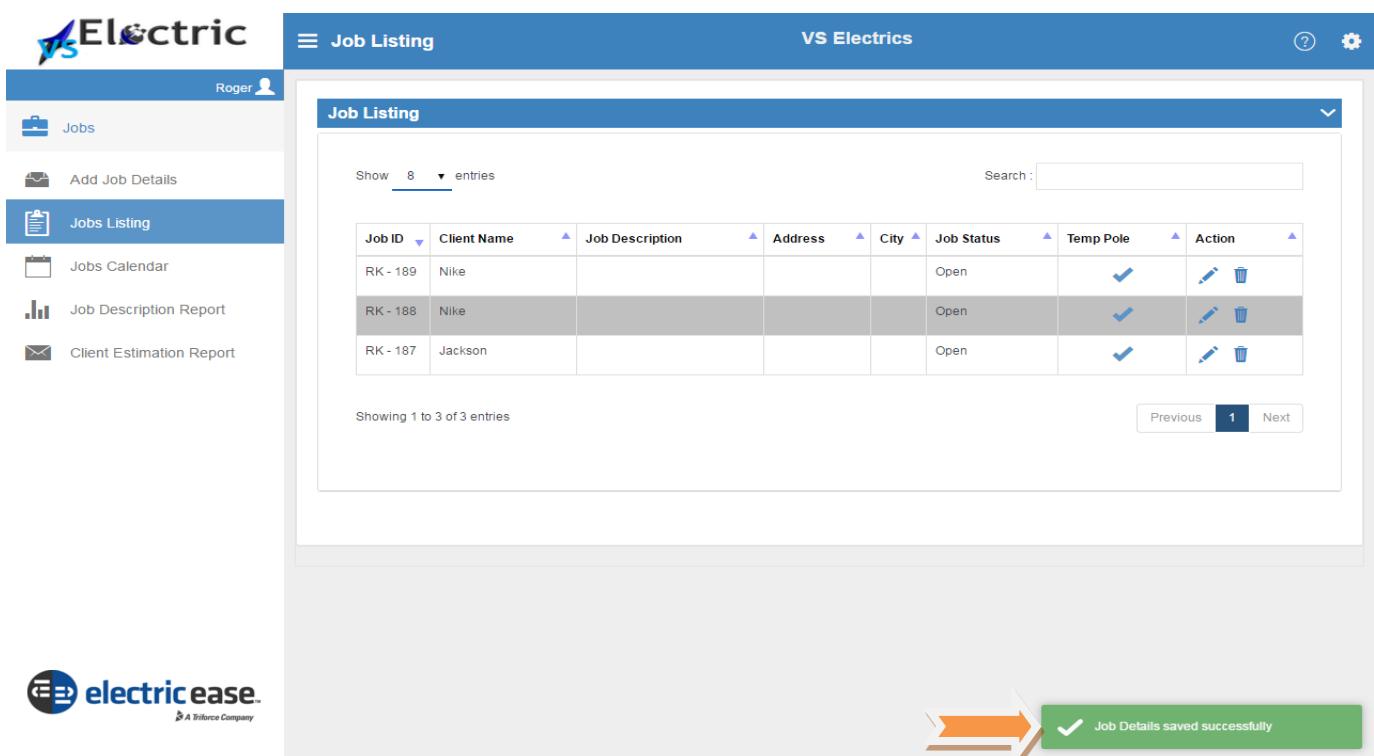

- Associated files can be word document or excel or pdf. Click on “choose files” button pop up window opens choose a files required and click open. Only for a job user can attach 5 or less than that.

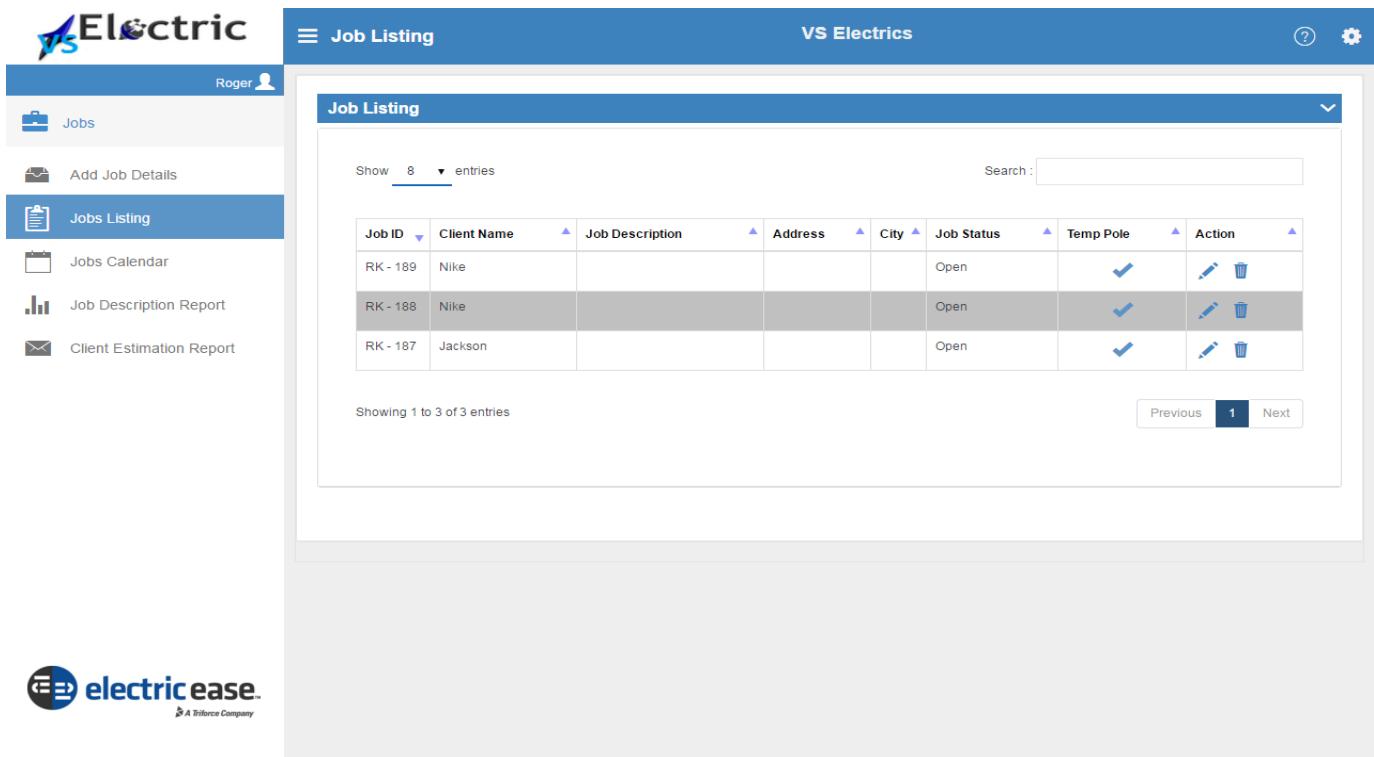

- After Providing all the particulars Click “Add” Button to save the Job Details and user will receive the a success message as “**Job Dtails Saved Successfully**” and the job is listed in **Job Listing table**

The screenshot shows the 'Add Job Details' page. On the left is a sidebar with navigation links: Roger, Jobs, Add Job Details, Jobs Listing, Jobs Calendar, Job Description Report, and Client Estimation Report. The main area has a blue header 'Add Job Details' and 'VS Electrics'. Below the header is a list of sections: Job Information, Client Information, Direction To, Scope of Work, Assemblies, Add Parts Details, Add Labor Details, Mileage, Estimate Values, Job Totals, Add Legal Details, and Associated Files. At the bottom right is a row with 'Add' (highlighted with a red box), 'Clear', and a help icon.

The screenshot shows the 'Job Listing' page. The sidebar is identical to the previous screenshot. The main area has a blue header 'Job Listing' and 'VS Electrics'. Below the header is a table titled 'Job Listing' with columns: Job ID, Client Name, Job Description, Address, City, Job Status, Temp Pole, and Action. The table contains three entries: RK - 189 (Nike, Open, checked, edit, delete), RK - 188 (Nike, Open, checked, edit, delete), and RK - 187 (Jackson, Open, checked, edit, delete). At the bottom is a message 'Showing 1 to 3 of 3 entries' and a navigation bar with 'Previous', '1', and 'Next'. A green success message box at the bottom right says 'Job Details saved successfully' with a checkmark and an orange arrow pointing to it.

Job Listing:

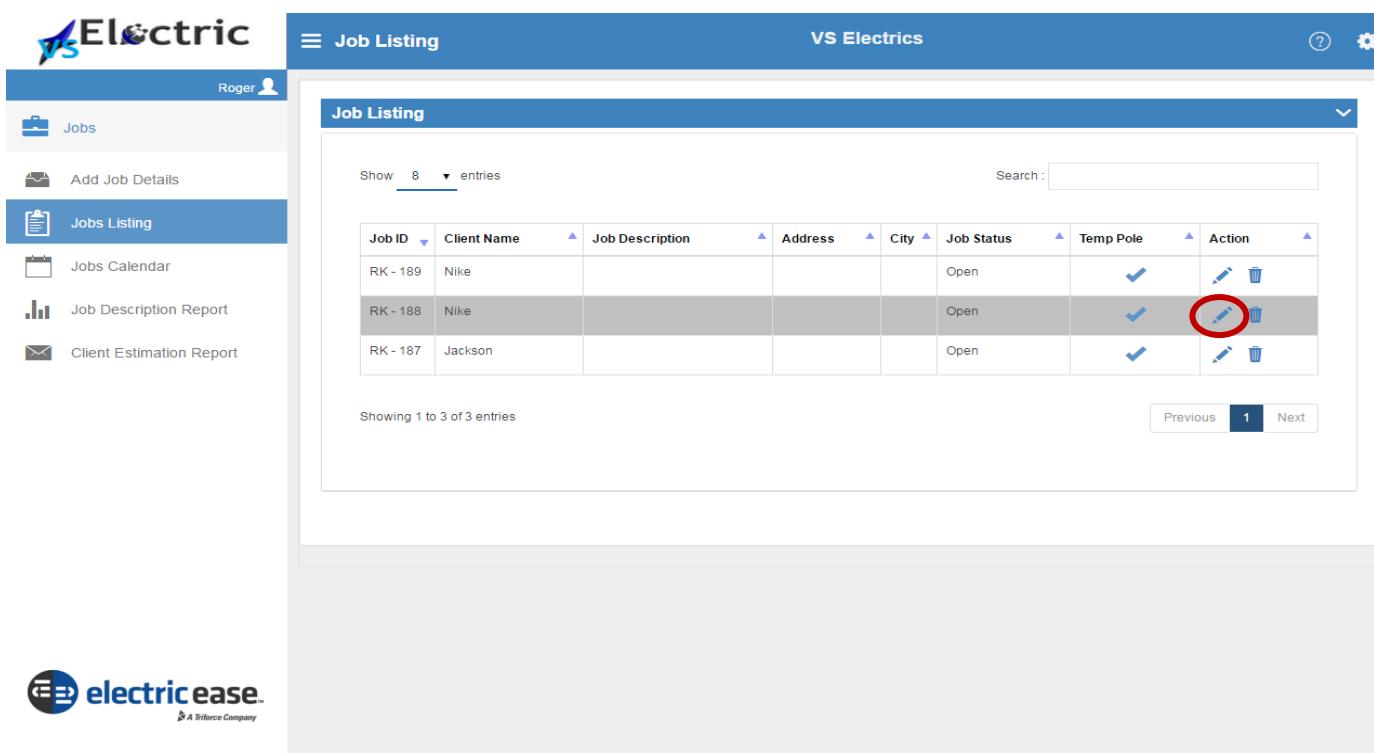

The screenshot shows the 'Job Listing' page of the Electric Ease software. The left sidebar includes links for 'Jobs', 'Add Job Details', 'Jobs Listing' (which is selected), 'Jobs Calendar', 'Job Description Report', and 'Client Estimation Report'. The main content area has a header 'Job Listing' and 'VS Electrics'. It displays a table with 3 entries:

Job ID	Client Name	Job Description	Address	City	Job Status	Temp Pole	Action	
RK - 189	Nike				Open	<input checked="" type="checkbox"/>		
RK - 188	Nike				Open	<input checked="" type="checkbox"/>		
RK - 187	Jackson				Open	<input checked="" type="checkbox"/>		

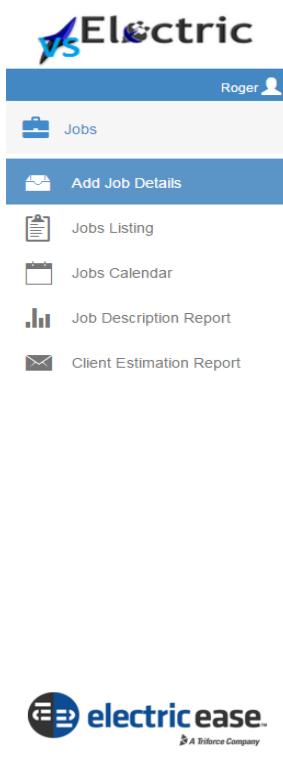

Below the table, it says 'Showing 1 to 3 of 3 entries'. Navigation buttons include 'Previous', a page number '1', and 'Next'.

Editing Job Details:

- To edit the Labor details click on edit button
- Once the Labor details is updated we will get a successful message at bottom right corner as “**Job details saved Successfully**”

This screenshot is identical to the one above, showing the 'Job Listing' page. However, the edit icon in the 'Action' column of the second row is circled in red. The rest of the interface and data are the same.

The mobile interface features a vertical sidebar on the left with the following menu items:

- Jobs
- Add Job Details
- Jobs Listing
- Jobs Calendar
- Job Description Report
- Client Estimation Report

We will wire home to electrical code based on the current adopted NEC. Local jurisdictions may enforce additional codes that have not been included in this estimate. Any additional electrical installation that may be required by local jurisdiction will be billed as an extra.

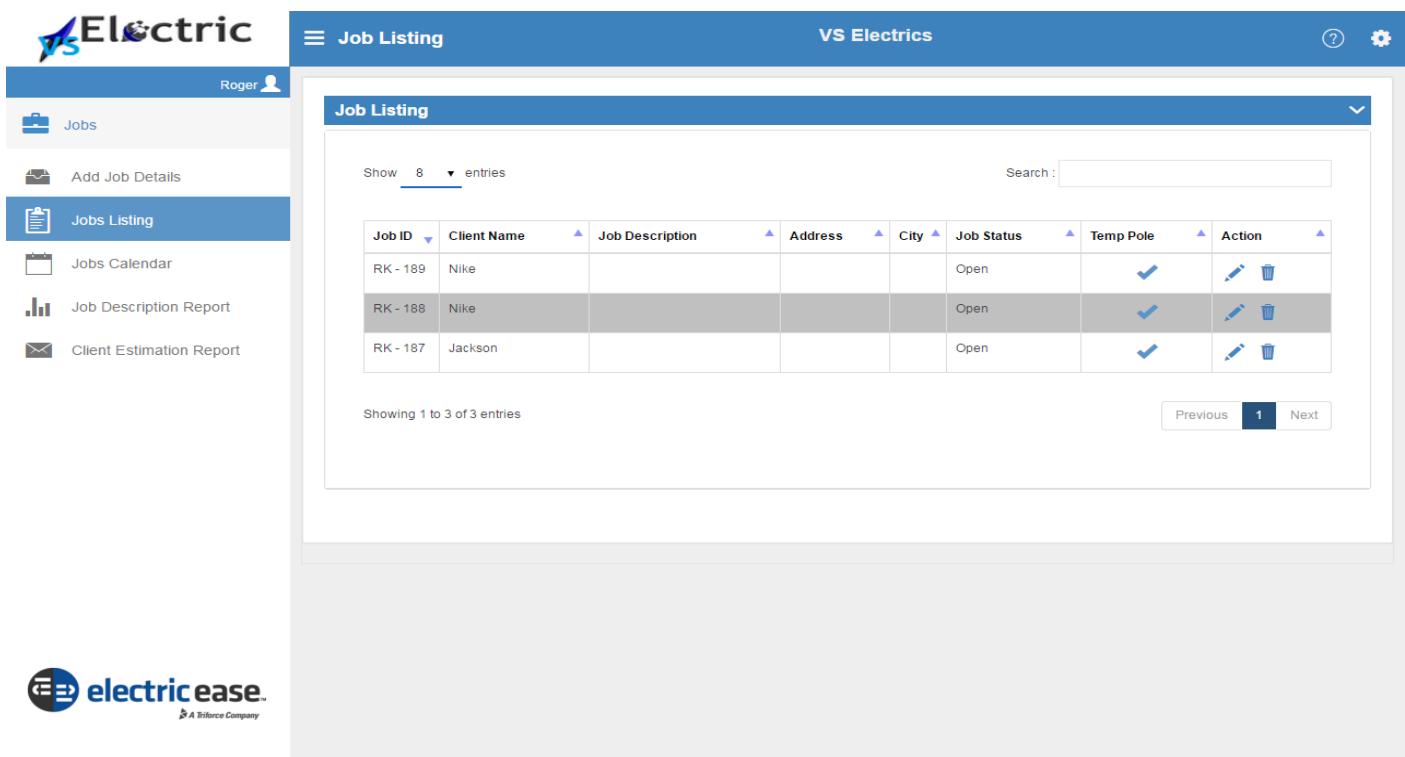

The screenshot shows the 'Add Job Details' screen. On the left sidebar, under 'Jobs', 'Add Job Details' is selected. In the main area, there's a 'Job Totals' section with expense and estimated totals, and an 'Associated Files' section containing 'Parts_Data_Template.xlsx' and 'JobDescription.pdf'. The 'JobDescription.pdf' file has a red circle around its delete button. At the bottom right, a green success message box says 'File delete successfully'.

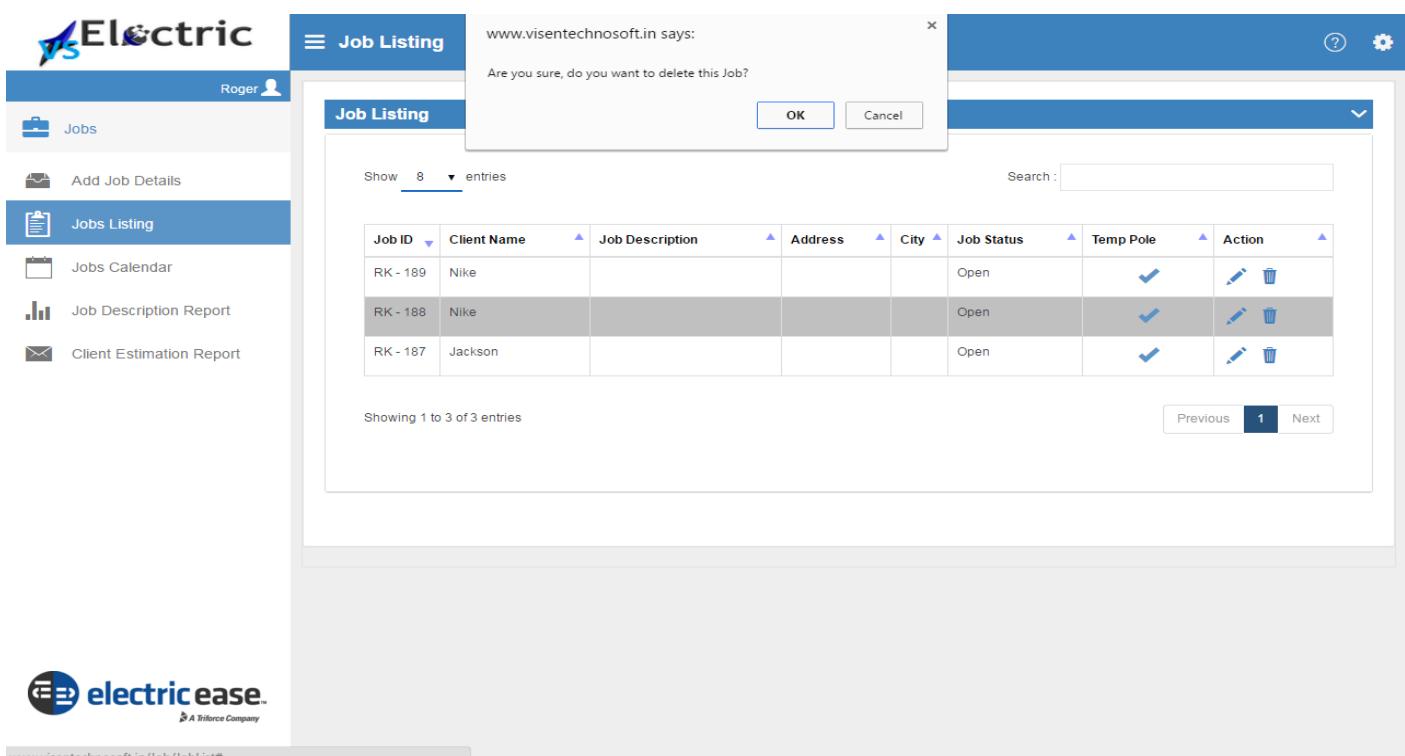

The screenshot shows the 'Job Listing' screen. On the left sidebar, 'Jobs Listing' is selected. The main area displays a table of job entries with columns for Job ID, Client Name, Job Description, Address, City, Job Status, Temp Pole, and Action. A red arrow points to the 'Action' column. At the bottom right, a green success message box says 'Job Details saved successfully'.

Deleting Job Details:

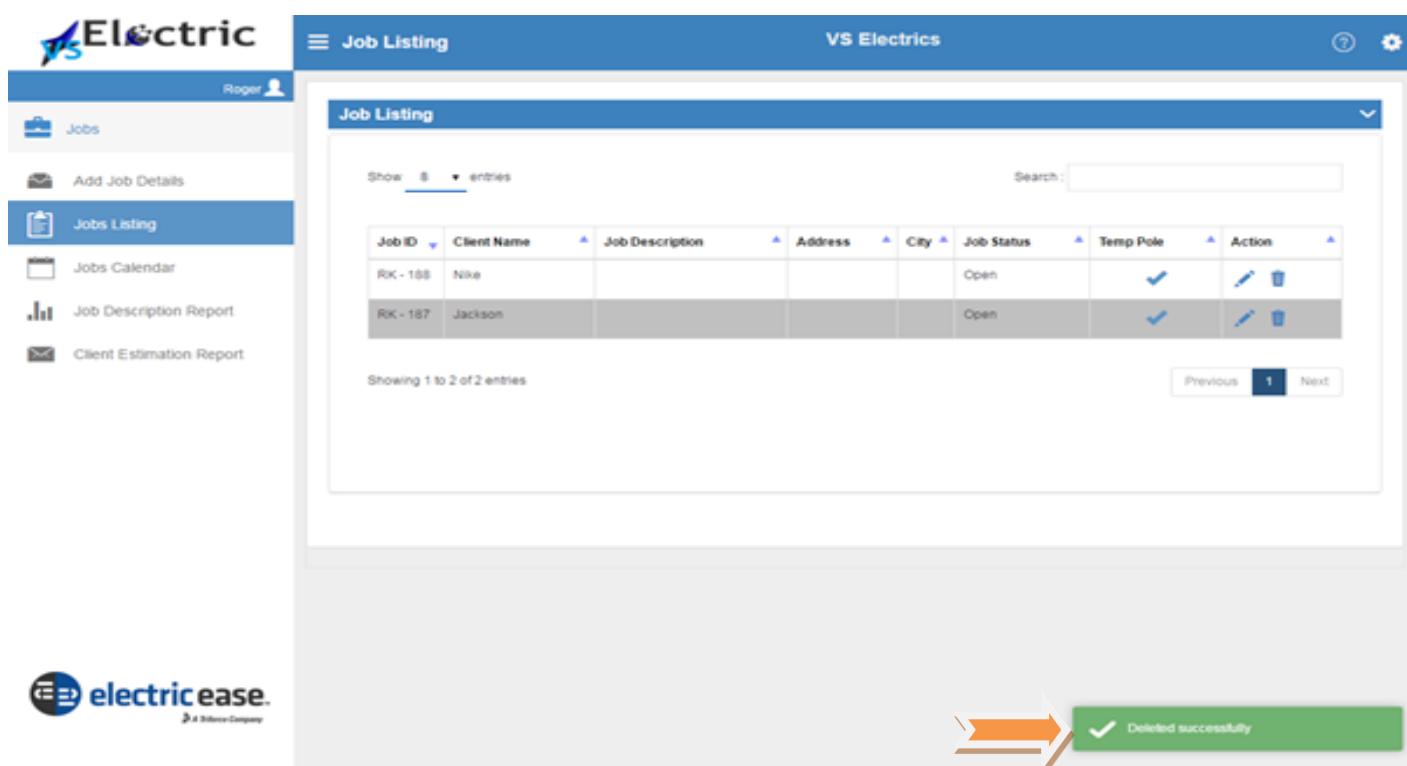

- To delete the Job details click on delete button 
- Once you click on the delete button dialog box appear. Click “OK” button to confirm your decision. You will get success message at the bottom right corner as “**Deleted successfully**”. Else Click “Cancel” button to abort the process.

The screenshot shows the Electric Ease software interface. On the left, there's a sidebar with a user profile for "Roger" and links to "Jobs", "Add Job Details", "Jobs Listing" (which is highlighted in blue), "Jobs Calendar", "Job Description Report", and "Client Estimation Report". The main content area has a header "Job Listing" and "VS Electrics". Below is a table titled "Job Listing" with columns: Job ID, Client Name, Job Description, Address, City, Job Status, Temp Pole, and Action. The table contains three entries: RK-189 (Client Name: Nike, Status: Open), RK-188 (Client Name: Nike, Status: Open), and RK-187 (Client Name: Jackson, Status: Open). Each row has edit and delete icons in the Action column. At the bottom, it says "Showing 1 to 3 of 3 entries" and has navigation buttons for "Previous", "1", and "Next".

This screenshot shows the same software interface as above, but with a modal dialog box in the center. The dialog title is "www.visentechnosoft.in says:" followed by "Are you sure, do you want to delete this Job?". It has "OK" and "Cancel" buttons. Behind the dialog, the "Job Listing" table is visible, showing the same three entries as before.

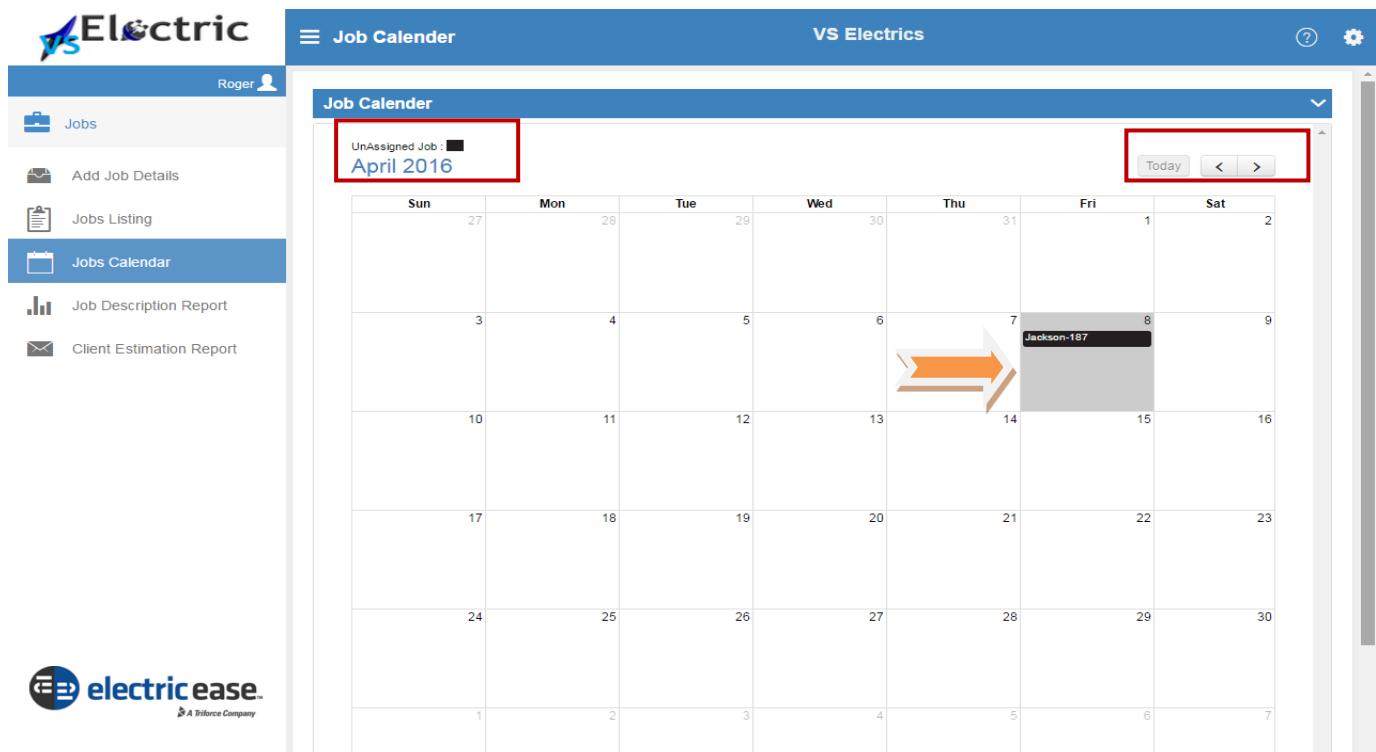

The screenshot shows the 'Job Listing' page for 'VS Electrics'. The left sidebar includes links for 'Jobs', 'Add Job Details', 'Jobs Listing' (which is selected), 'Jobs Calendar', 'Job Description Report', and 'Client Estimation Report'. The main area displays a table of job entries:

Job ID	Client Name	Job Description	Address	City	Job Status	Temp Pole	Action
RK - 188	Nike				Open	<input checked="" type="checkbox"/>	<input type="button" value="Edit"/> <input type="button" value="Delete"/>
RK - 187	Jackson				Open	<input checked="" type="checkbox"/>	<input type="button" value="Edit"/> <input type="button" value="Delete"/>

Below the table, a message says 'Showing 1 to 2 of 2 entries'. At the bottom right, there are 'Previous' and 'Next' buttons. A green success message 'Deleted successfully' with a checkmark and an orange arrow points to it.

Job Calendar:

- Shows the jobs assigned for the month.

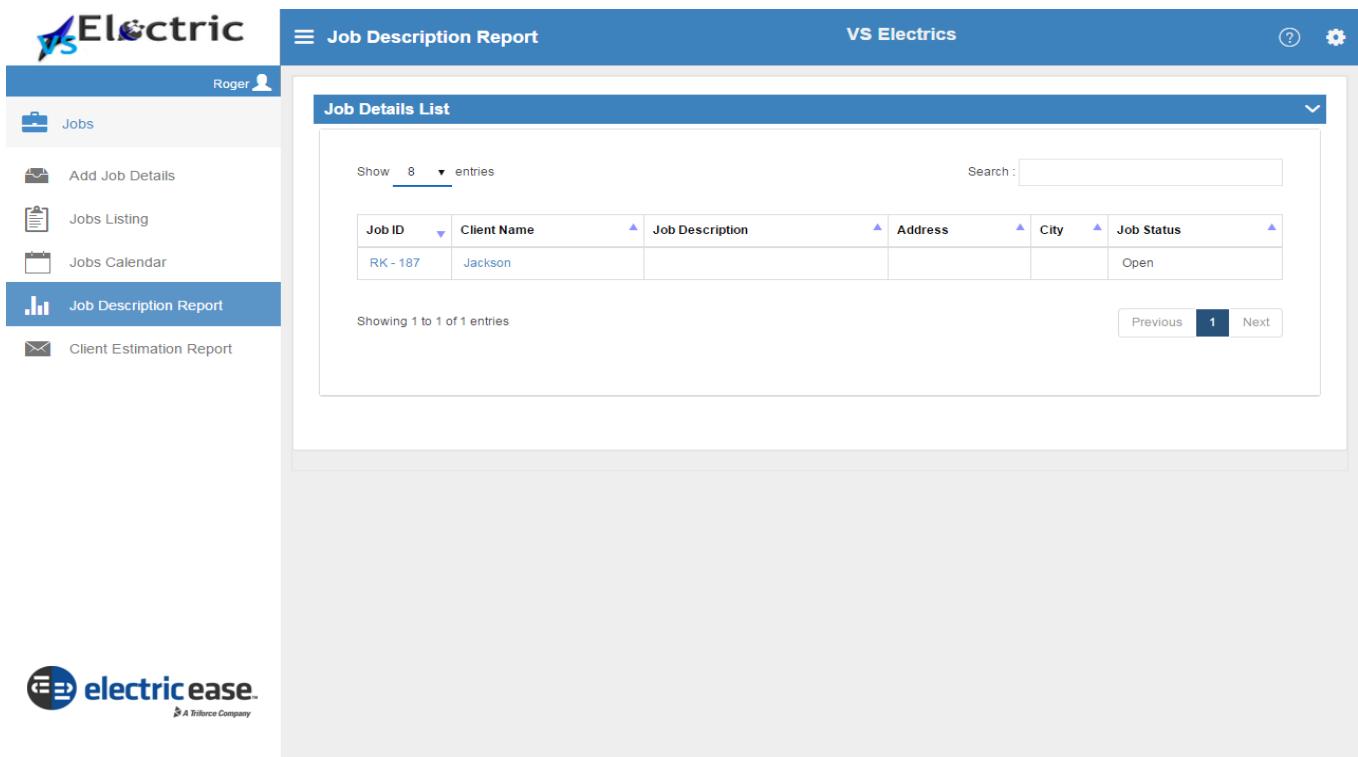

The screenshot shows the 'Job Calendar' page for 'VS Electrics'. The left sidebar includes links for 'Jobs', 'Add Job Details', 'Jobs Listing' (selected), 'Jobs Calendar', 'Job Description Report', and 'Client Estimation Report'. The main area displays a calendar for April 2016. An orange arrow points to the date 'Jackson-187' on Friday, April 8th. A red box highlights the header 'UnAssigned Job' and the date 'April 2016'. A red box also highlights the top right corner of the calendar grid.

Sun	Mon	Tue	Wed	Thu	Fri	Sat
27	28	29	30	31	1	2
3	4	5	6	7	8	9
10	11	12	13	14	15	16
17	18	19	20	21	22	23
24	25	26	27	28	29	30
1	2	3	4	5	6	7

Job Description Report:

- Click on the Client name to check the Job Description report generated for the client.

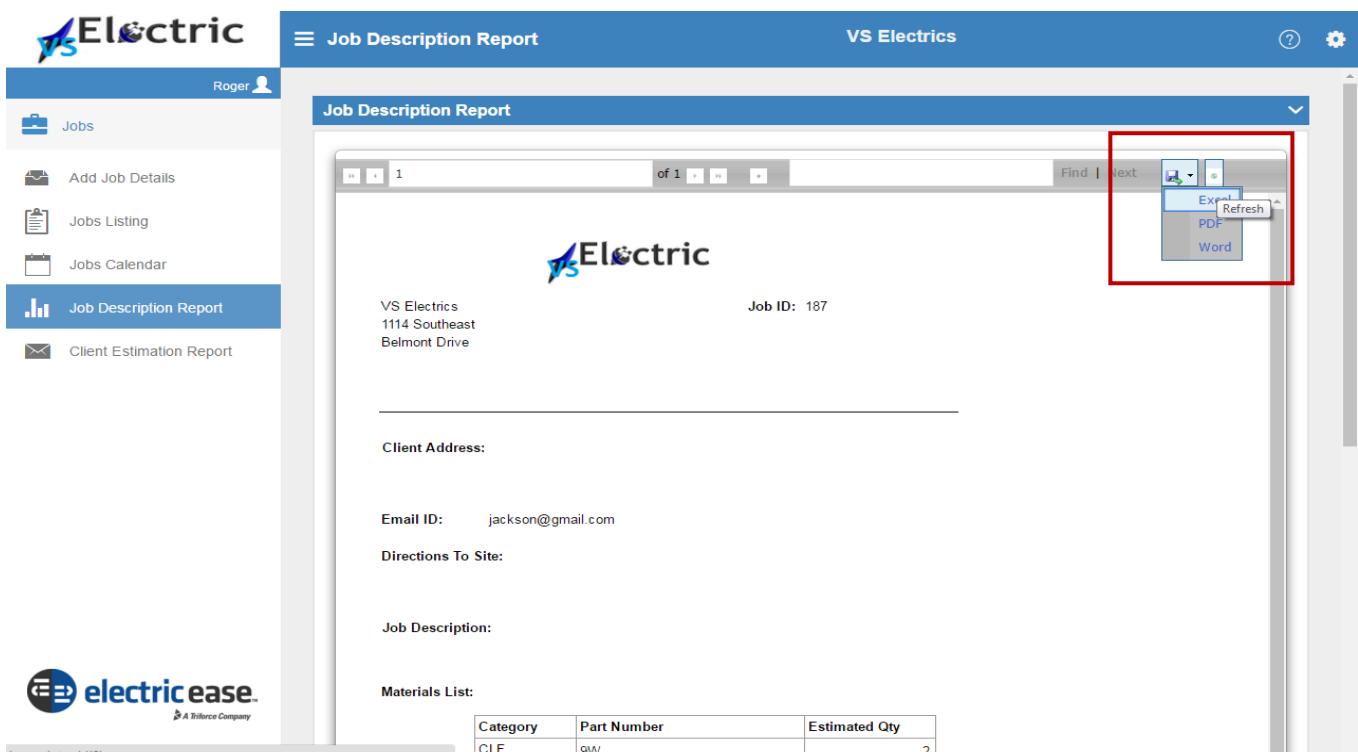

- It can be downloaded in excel, word or pdf

The screenshot shows the 'Job Details List' section of the 'Job Description Report'. It displays one entry:

Job ID	Client Name	Job Description	Address	City	Job Status
RK - 187	Jackson				Open

Below the table, it says 'Showing 1 to 1 of 1 entries'.

The screenshot shows the 'Job Description Report' page for Job ID 187. The report includes the following details:

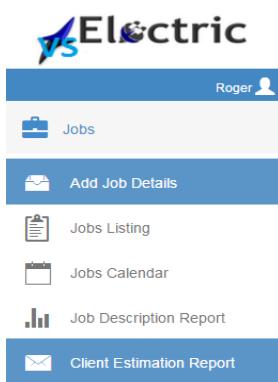

- Client Name: VS Electrics
Address: 1114 Southeast Belmont Drive
- Job ID: 187
- Client Address:
- Email ID: jackson@gmail.com
- Directions To Site:
- Job Description:
- Materials List:

Category	Part Number	Estimated Qty
CLF	9W	2

In the top right corner, there is a dropdown menu with three options: 'Excel', 'PDF', and 'Word'. The 'Excel' option is highlighted with a red box.

Client Description Report:

- Click on the Client name to check the Client Description report generated for the client.
